[REDACTED]  
I wish to express to you my appreciation of the opportunity of sitting with your Communications Board at its session yesterday. In my opinion, it is a very fine instrument for carefully handling personnel problems on a long-range basis and that, in the last analysis, is all any career system can do.

I was much impressed with the thoroughness and attention to detail and the judicious objectivity with which the members of the Board handled each individual case together with the consideration that was given to the basic principles involved in the cases.

I think the Agency as a whole can benefit by the experience which you are developing.

Sincerely,

15/
